

**Prayer of the Faithful
Feast of the Body and Blood of Christ
June 18-19, 2022**

Presider: Knowing that the Lord feeds us and fulfills our needs during our journey through life, let us confidently present our prayers.

Lector:

That the Eucharist may help the Church to grow in unity amidst all its diversity, we pray...

That all peoples of the earth, redeemed by the new Covenant in Christ's blood may reverence each other as children of the one true God, we pray...

That nations may work together to end world hunger so that the poor may have their fill and be satisfied, we pray...

That the grace of charity we experience in the Eucharist may impel us to reach out to help and protect the marginalized and those in need, we pray...

That our parish community may be truly nourished by the body and blood of Christ which we share at this table, we pray...

That our beloved dead, among them, Richard Shea, Michael Varraso, Loretta Moran, Jay McPhee, Fr. Michael Himes, Anita Rubel, and Eduardo Cadena, may be gathered among the multitudes of the saints at the banquet of life, we pray...

**Presider: Bountiful God, hear our prayers and continue to nourish and sustain us as your holy people through Christ our Lord.
AMEN.**
