

Prayers of the Faithful  
Solemnity of the Most Holy Trinity  
June 15 - 16, 2019

**Presider:** We turn now to our Triune God with our needs, prayers and petitions.

**Lector:**

That open to the Spirit of truth, we may encounter our Triune God working in and through all peoples, we pray...**Lord, hear our prayer.**

That the many nations and tribes, religions and ways of life throughout the earth may recognize and appreciate that we are all members of one family: children of our Triune God, we pray...**Lord, hear our prayer.**

That those countries experiencing political, social, and economic upheaval at this time, may soon have peace and justice restored, we pray...**Lord, hear our prayer.**

That given rule over the works of God's hands, we may better care for and protect all the earth and its inhabitants, we pray...**Lord, hear our prayer.**

That our St. Ignatius Parish community may strive to be a warm, welcoming community modeling God's compassion, concern, mercy, forgiveness, and love, we pray...**Lord, hear our prayer.**

For all fathers on this father's day weekend, may they receive the nurturing, loving graces they need, we pray...

That those in need of our prayers may experience God's grace and gift of consolation, we pray...**Lord, hear our prayer.**

That our beloved dead, among them, Jane Morse, Jack O'Brien, Bonne Iwema, Matthew R. Pendergast, Anita Koris, and our deceased fathers, may be received into the eternal love of our Triune God, we pray...**Lord, hear our prayer.**

**Presider:** Triune God, bless our diversity and bring all peoples together with one unified purpose: to love one another in and through Christ our Lord in the unity of the Holy Spirit one God forever and ever.  
**AMEN.**
